Welcome Message

Welcome to Palm Beach Chinese Academy, the right place to learn Chinese! The Palm Beach Chinese Academy (PBCA) carries all functions of its predecessor, the Contemporary Chinese School of South Florida (CCSSF). The CCSSF was established in 1995, is a non-profit, non-political organization run by volunteers dedicated to the promotion and understanding of Chinese language and culture. The primary mission of PBCA is to provide formal and systematic education of the Contemporary Chinese Language (Mandarin) and the simplified Chinese characters used in mainland China. The basic goal of the school is to have our students to be able to speak, read and write Chinese. There are two semesters for each school year: Fall (Aug-Dec) and Spring (Jan-May). We offer classes from first to 10th grade for students at ages of five or older. The 10th grade is an advanced Chinese class focusing on SAT Chinese test preparation. All textbooks are especially composed for oversea Chinese education.
